OWNER !!
HOW AWFUL!! DON'T MACS COME WITH THE 3 PRINCIPLE UTILITY INSTALLED!!
Nana..
OWNER!! HANG ON!!
Ho~ ho ho ho
NOW THE 3 PRINCIPLES
WHAT'S THAT?

HUMANOID ROBOTS SHALL NOT DEFY THE COMMAND OF HUMAN BEINGS SHALL NOT CAUSE HARM TO HUMANS
CAN DEFEND THEMSELVES UNLESS IT GOES AGAINST THE PREVIOUS 2 RULES
Oh~ They use Asimov's 3 principles of robotics
TSK TSK TSK I AM PROUD OF MY PERFECTION I HAVE FOLLOWED THE 3 PRINCIPLES PERFECTLY JUST TURN AROUND
ARE YOU SPEAKING JAPANESE PROPERLY? THERE IS A LARGE HOLE IN HIS STOMACH
Huh? I'm fine
IT'S SUPPOSED TO BE AN INTERNATIONAL STANDARD
HE IS NOT INJURED AND THERE IS NO HOLE
Uh

AH~ !!
DODON
豪力雷神
Sterling Power of the Thunder God)
OWN...OWNER... YOU STARTED UP YOUR INSTALLER OH MY
WHAT SHOULD I DO?
That's... not it Mimi! This...this is
This... this is.. wait... Um...
KU KU KU... THIS IS A NAC DEDICATED TOOL IT IS CALLED ERECTION SAVER
(TN: Could also be called Erection Saber)
NCV
WHAT... WHAT A VULGAR NAME FOR A TOOL
NOW THEN IT'S TIME TO INSTALL JAPANESE FONTS

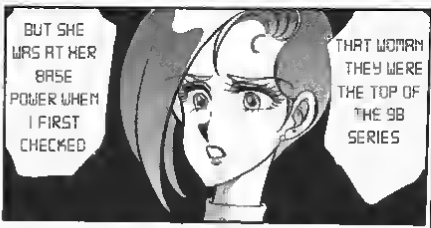
Oh
A...huh? We're back in the room.. and are clothes are back.
I forcibly terminated the molecular space
Ah
YACHIYO SAN
IT WAS MAMA-CHAN'S FIRST TIME
Anyway, I'm glad we're all safe
Wow What was that?



(Japanese 3 stringed instrument)

YOU EARNED IT
LEVEL 5 JAPANESE INDUSTRIAL STANDARD... I COULD WRITE A JAPANESE NOVEL
WHEN I WAS SENT FLYING THAT WOMAN FORCIBLY INSTALLED
Older sisters
So... You failed

Thi... This is.
The heart of my Hyper Computer.

Ku su
This is amazing
Jibensh. Is that Moai?
What... I don't get it.
It implements 1 million terrabytes of memory in 20 thousand Processors.
This system works with the operating system called Unix III
JUST NOW YOU SAID HEART BUT WE 98 SERIES DON'T HAVE THIS CLASS WORKSTATION AND OPERATING SYSTEM
Yes.
That's right
AH!
98 SERIES IS NOT A COMPATIBLE SYSTEM HOW

FU FU
Remi and I together can relay commands
Yes... The protection can't be unlocked without my password
ANOTHER THING SHE HAD PROTECTED FILES WHICH IS STRANGE AFTER BEING INITIALIZED
When this child says "Strange Face" she is prompting for the password.
THAT WENT ON A BIT TOO LONG
Oh.. so that is how it was.

If Remi is your daughter... Why was she left in the trash?
In my case... I took my eyes off of her to deal with it.
Recently, there have been strange movments in many companies including intrusions into computers from outside
You mean a hacker?
The truth is I am the head of several companies since the previous head passed away.
well...
speaking of which
who was it?

Did someone get to the data before me ?
The protection has been released .. What's going on?
Huh

I guess it's better to be prepared.
Well... That's some big armor you're wearing.

Ah... I didn't realize that you were too weak to make the verification check yourself..
LAYER.
Are you not permitted to check before you ask?
Who's here !!
Ku !!
